Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations with Increased Surety Required, Jon Young, Torrey Buff Quarry, S0550012, Task 2209, Wayne County, Utah

Dear Mr. Young:

On May 23, 2007, the Division wrote and asked that you either amend your Notice of Intention to Commence Small Mining Operations (NOI) to show the existing one-acre disturbance area or that you increase the reclamation surety amount to \$20,700.00. On January 24, 2008, the Division received from you a proposal to decrease the size of the disturbed area from less than five acres to two acres.

The Division approves this change, and a copy of the modified page, stamped approved, is enclosed with this letter. Based on the new acreage figure, the Division requires that the reclamation surety amount be increased from \$5000.00 to \$9600.00. Please contact Jed Pearson, bonding coordinator, for information about increasing the amount of the surety. He can be reached by telephone at 801-538-5382 or by electronic mail at jedpearson@utah.gov.

Thank you for your cooperation. Questions about this letter can be addressed to me at 801-538-5258 or Paul Baker at 801-538-5261.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
